EXPERIENCE

Web Development Bootcamp Student

GOMYCODE / Lagos, Nigeria / Jan. 2022 – Jun. 2022

Acquired the skills required to become a JavaScript developer and built the following projects to name a few:

- A movie app using React JS
- A shopping cart using Vanilla JS
- A travel app using React JS

HR Business Partner and IT Technical Recruiter

Access Bank Plc / Lagos, Nigeria / Sept. 2018 – Dec. 2021

Responsible for full life cycle recruiting of IT candidates as well as aligning business objectives with employees and management in designated business units. Key achievements/responsibilities included:

- Consistently filled at least 80% of the IT resource gap despite a high attrition rate of tech talent in the company and across the industry
- Leveraged multiple sourcing strategies and channels including external network, job boards, and internal referrals to provide high-quality candidates for open positions
- Identified current and prospective staffing requirements, prepare and post notices and advertisements, and collect and screen applications
- Advised managers and employees on staffing policies and procedures
- Managed business to business relationships with a network of external vendors, including retained, contingent, and research-based recruiting firms
- Strategic partnering with Managers, Directors, and Consultants to develop recruitment action plans.
